

TOP 10 TIPS

THINK
SECURITY!

1 WEAR YOUR ID

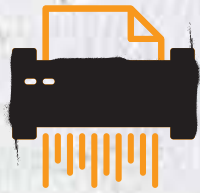

Think security while on-set. Wear your badge at all times and never leave guests unattended. When off-site, please keep your badge out of sight.

2 SECURE IT

Secure all digital and physical content and assets.

3 SHRED IT

Don't let today's trash become tomorrow's headline!

4 BEWARE WHAT YOU SHARE

When in doubt, don't post! Never post confidential information online or to social media.

5 REMEMBER, YOU CAN'T UNSEND CONTENT

Use only production approved tools when handling content. Double check all communications and secure content as you collaborate and share.

6 NO UNAUTHORIZED PHOTOGRAPHY

Pictures may only be taken by crew with a photography approved badge and approved device.

7 PROTECT YOURSELF

Be aware of your surroundings physically and digitally. Question any requests for Amazon content from unknown sources.

8 BE AWARE OF YOUR SURROUNDINGS

Use code names and be aware of unwanted listeners/eavesdroppers.

9 BE DISCREET

NDA's don't end when you leave the production. They last forever.

10 ATTENTION: REPORT SUSPICIOUS ACTIVITY

We need your help! Report security-related issues or suspicious activity to Production Security immediately, security@gsrprod.com, or call 09 838 2654 860 ext.860
